

# Create a New Organization and Add Members in Stytc

1

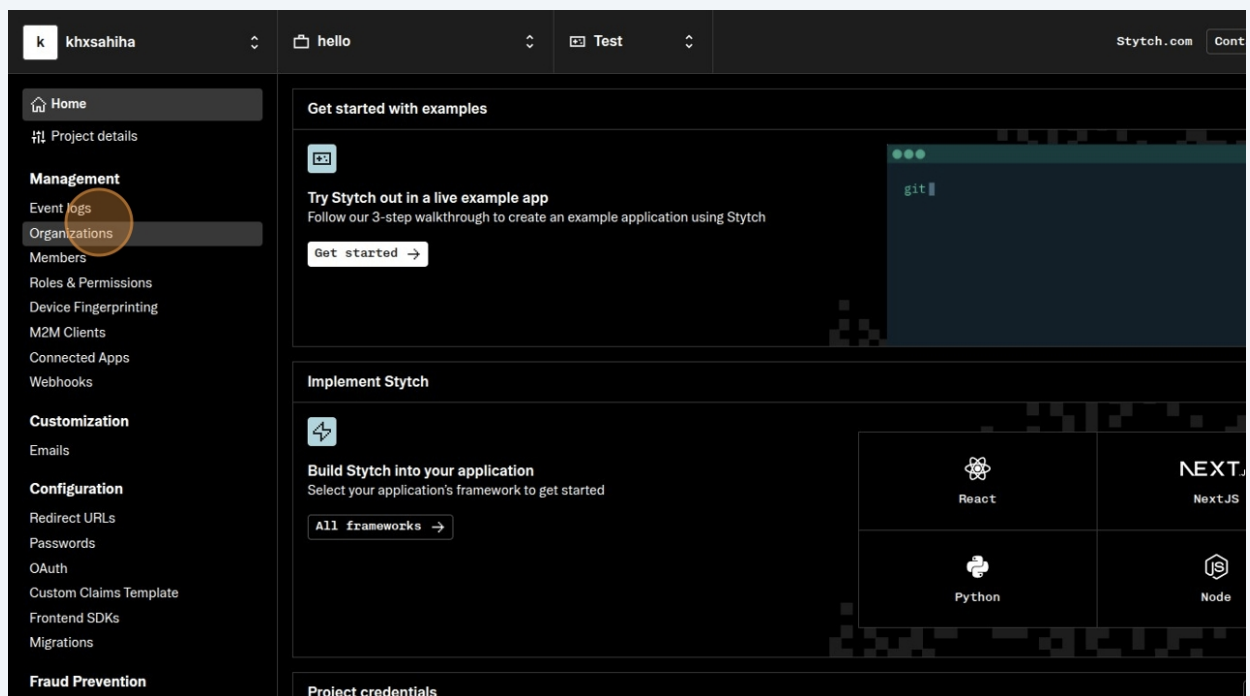

Navigate to <https://stytc.com/>

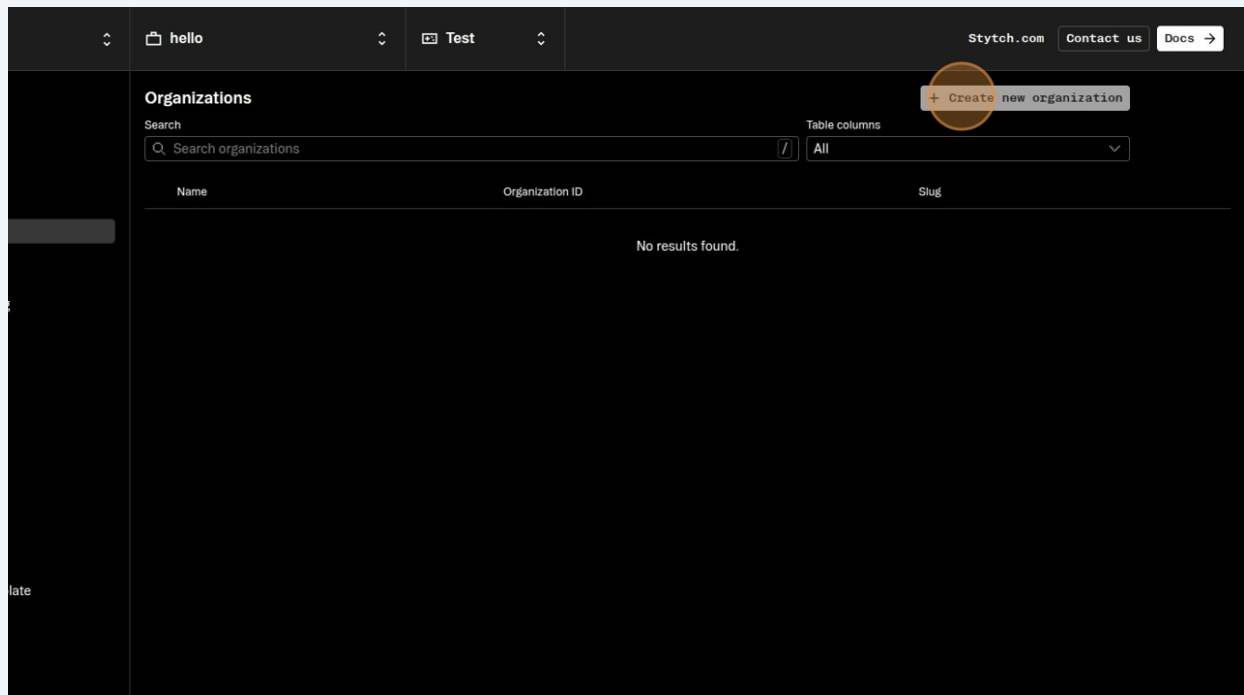

2 Click here.

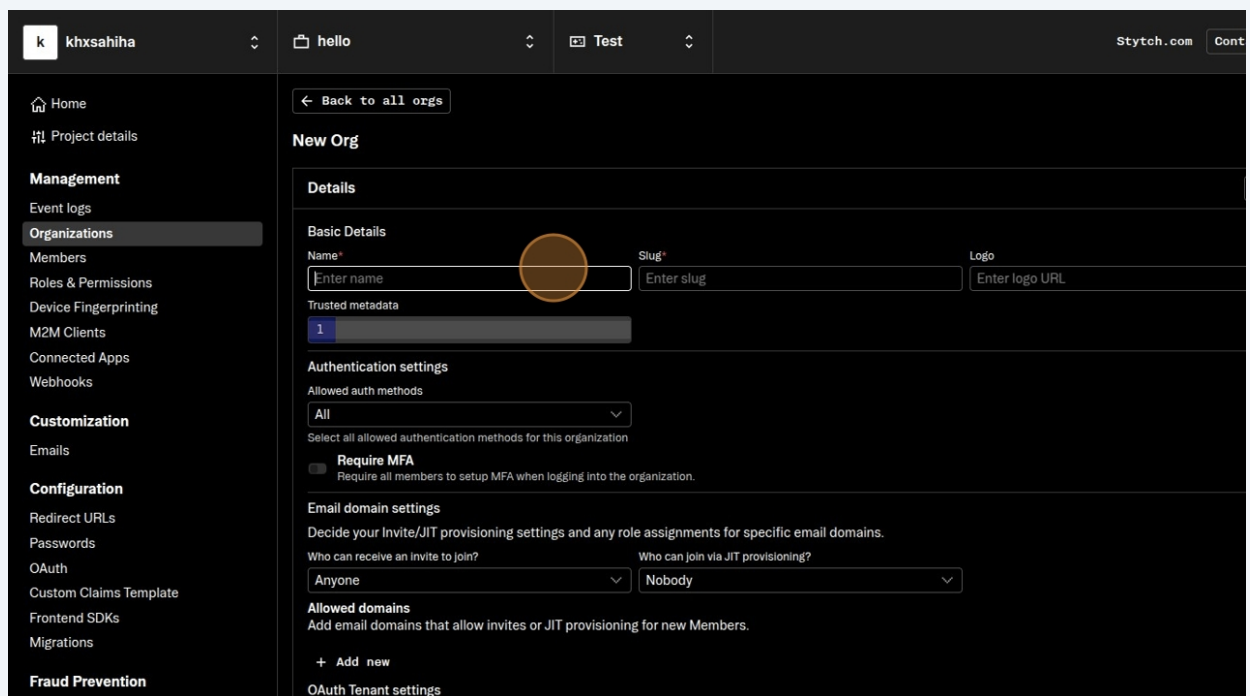

3 Click "Organizations"

#### 4 Click "Create new organization"

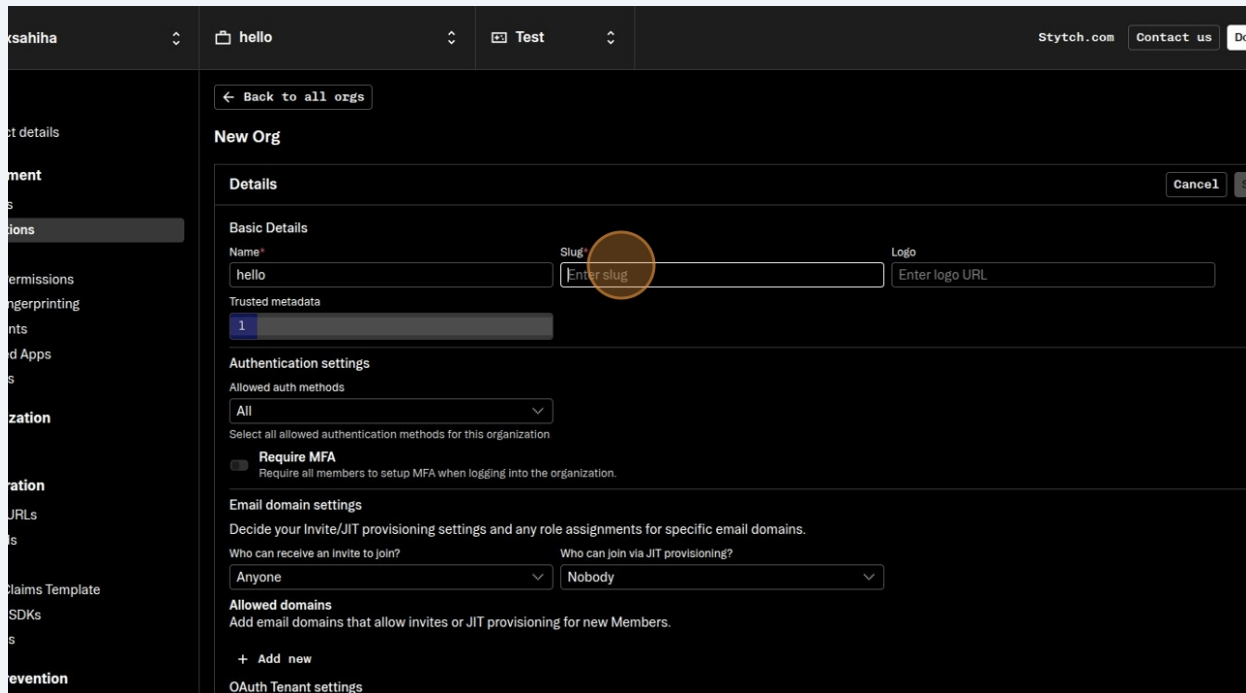

#### 5 Click the "Name" field.

6 Type "hello"

7 Click the "Slug" field.

The screenshot shows the 'New Org' form in the Stytcn application. The form is divided into several sections: 'Details', 'Authentication settings', 'Email domain settings', 'Allowed domains', and 'OAuth Tenant settings'. The 'Details' section contains three input fields: 'Name\*' (with the value 'hello'), 'Slug\*' (with the placeholder 'Enter slug'), and 'Logo' (with the placeholder 'Enter logo URL'). The 'Slug\*' field is highlighted with a red circle. The 'Authentication settings' section includes a dropdown for 'Allowed auth methods' (set to 'All') and a toggle for 'Require MFA'. The 'Email domain settings' section includes two dropdowns for 'Who can receive an Invite to join?' (set to 'Anyone') and 'Who can join via JIT provisioning?' (set to 'Nobody'). The 'Allowed domains' section includes a '+ Add new' button. The 'OAuth Tenant settings' section is currently empty.

8 Type "world"

## 9 Click "Save"

## 11 Click "Org members"

## 12 Click "Create new member"

### 13 Click the "Email address" field.

The screenshot shows a web application interface with a dark theme. On the left is a sidebar menu with categories: Management (Event logs, Organizations, Members, Roles & Permissions, Device Fingerprinting, M2M Clients, Connected Apps, Webhooks), Customization (Emails), Configuration (Redirect URLs, Passwords, OAuth, Custom Claims Template, Frontend SDKs, Migrations), and Fraud Prevention (reCAPTCHA). The main content area is titled 'hello' and has tabs for 'Org information' and 'Org members'. Below the tabs is a 'Back to all members' button. The 'New Member' form is displayed with the following sections:

- Details**: Organization ID field with value 'organization-test-e304fd82-561d-4ddb-a6ef-38520bf2813a'.
- Basic Details**: Email address\* field (highlighted with a red circle), Name field, and Trusted metadata field with value '1'.
- Untrusted metadata**: Field with value '1'.
- Authentication settings**: Three toggle switches: 'Enable break glass for Member' (disabled), 'Enable multi-factor authentication' (disabled), and 'Create member as pending' (disabled).
- MFA phone number**: Section for adding a phone number.

At the bottom of the form is a '+ Add new' button and a 'Roles' section.

### 14 Type "[hello@gmail.com](mailto:hello@gmail.com)"

15 Click the "Name" field.

Untrusted metadata

**Authentication settings**

☐ **Enable break glass for Member**  
This will allow the member to ignore Organization requirements in an emergency (i.e. in the event of a lockout).

☐ **Enable multi-factor authentication**  
This will require this member to enable multi-factor authentication. If MFA is required for your organization, this will be enabled by default.

☐ **Create member as pending**  
Flag for whether or not to save a member as pending vs active in Stytch.

**MFA phone number**  
Add the Member's phone number. A member may only have one phone number.

16 Type "hello"

## 17 Click "Save"

The screenshot shows the 'New Member' form in the Stytc interface. The form is divided into several sections: 'Details', 'Basic Details', 'Untrusted metadata', and 'Authentication settings'. The 'Details' section contains the 'Organization ID' field, which is populated with 'organization-test-e304fd82-561d-4ddb-a6ef-38520bf2813a'. The 'Basic Details' section includes 'Email address\*' (hello@gmail.com), 'Name' (hello), and 'Trusted metadata' (1). The 'Untrusted metadata' section has a field with the value 1. The 'Authentication settings' section includes three checkboxes: 'Enable break glass for Member', 'Enable multi-factor authentication', and 'Create member as pending'. The 'Save' button is highlighted with a red circle.

## 18 Click "Save changes"

The screenshot shows the 'New Member' form in the Stytc interface, with a 'Save changes?' dialog box open. The dialog box contains the text 'Double check before saving your changes.' and two buttons: 'Cancel' and 'Save changes'. The 'Save changes' button is highlighted with a red circle. The background form is partially obscured by the dialog box.
