

# How to Create a New User in Google Dashboard

1 Navigate to <https://www.stytch.com/>

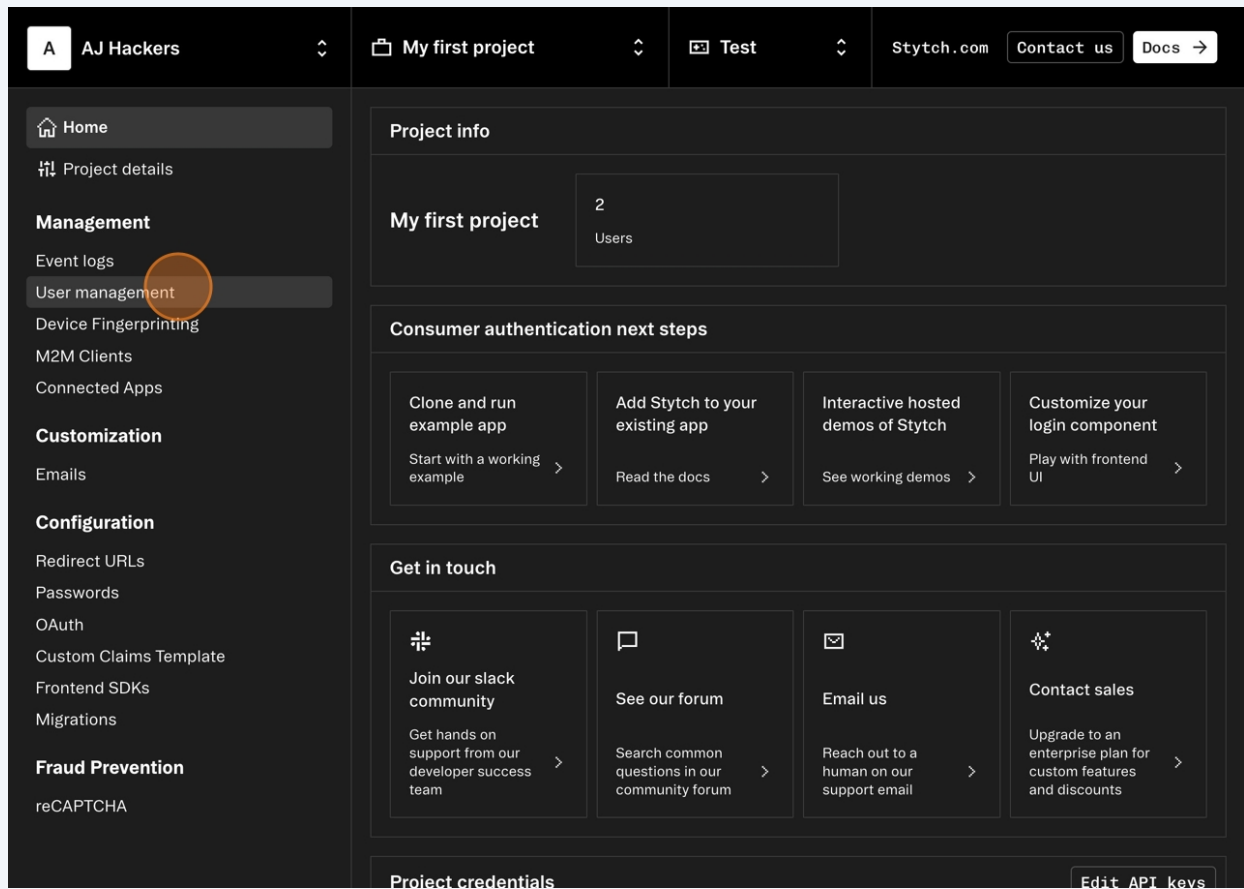

2

Click "Dashboard"

### 3 Click "User management"

#### 4 Click "Create new user"

The screenshot shows the Stytech dashboard interface. The top navigation bar includes the company name 'AJ Hackers', the current project 'My first project', a 'Test' button, the website 'Stytch.com', and links for 'Contact us' and 'Docs'. The left sidebar contains a navigation menu with sections: 'Home', 'Project details', 'Management' (with sub-items like 'Event logs', 'User management', 'Device Fingerprinting', 'M2M Clients', 'Connected Apps'), 'Customization' (with 'Emails'), 'Configuration' (with 'Redirect URLs', 'Passwords', 'OAuth', 'Custom Claims Template', 'Frontend SDKs', 'Migrations'), and 'Fraud Prevention' (with 'reCAPTCHA'). The main content area is titled 'Users (2)' and features a '+ Create new user' button, which is highlighted with an orange circle. Below this, there is a search bar, a 'User type' dropdown set to 'All', and a 'Table columns' dropdown showing 'User ID, Email, Email ID, Phone number, Name, ...'. A checkbox for 'Search for exact matches only' is also present. The table displays two users:

	User ID	Email	Email ID	Phone number	Name
>	user...114a	Giorgos@gmail.com	email...2ba2	+11112223334	Giorgos Giorg
>	user...f606	sravanvjyanthi@gmail.com	email...1b18	+19737222624	Sravan Jayan

At the bottom right of the table, it says 'Results 1 - 2' with navigation arrows.

5 Click the "Email address" field.

The screenshot shows the Stytech user management interface. The top navigation bar includes the user 'AJ Hackers', the project 'My first project', a 'Test' button, and links to 'Stytch.com', 'Contact us', and 'Docs'. The left sidebar contains a menu with categories: Management (Home, Project details, Event logs, User management, Device Fingerprinting, M2M Clients, Connected Apps), Customization (Emails), Configuration (Redirect URLs, Passwords, OAuth, Custom Claims Template, Frontend SDKs, Migrations), and Fraud Prevention (reCAPTCHA). The 'User management' option is selected. The main content area shows a 'Details' form for a user, with a 'Back to all users' link at the top left. The form includes fields for 'Email address', 'Phone number', 'First name', 'Middle name', and 'Last name'. The 'Email address' field is highlighted with an orange circle. Below these fields are sections for 'Trusted metadata' and 'Untrusted metadata', each with a '1' in a box. At the bottom, there is a checkbox labeled 'Create user as pending' with a description: 'Flag for whether or not to save a user as pending vs active in Stytech.' The form has 'Cancel' and 'Save' buttons at the top right.

6 Type "[giorgos@gmail.com](mailto:giorgos@gmail.com)"

7 Click the "Phone number" field.

The screenshot shows the Stytech user management interface. The top navigation bar includes 'AJ Hackers', 'My first project', 'Test', 'Stytech.com', 'Contact us', and 'Docs'. The left sidebar contains a menu with 'Home', 'Project details', 'Management' (with sub-items 'Event logs', 'User management', 'Device Fingerprinting', 'M2M Clients', 'Connected Apps'), 'Customization' (with sub-item 'Emails'), 'Configuration' (with sub-items 'Redirect URLs', 'Passwords', 'OAuth', 'Custom Claims Template', 'Frontend SDKs', 'Migrations'), and 'Fraud Prevention' (with sub-item 'reCAPTCHA'). The 'User management' item is selected. The main content area shows a 'Details' form for a user. The form has a 'Back to all users' link and 'Cancel' and 'Save' buttons. The 'Basic Details' section includes fields for 'Email address' (giorgos@gmail.com), 'Phone number' (highlighted with an orange circle), 'First name', 'Middle name', and 'Last name'. The 'Trusted metadata' section has a '1' in a box. The 'Untrusted metadata' section has a '1' in a box. At the bottom, there is a checkbox labeled 'Create user as pending' with a description: 'Flag for whether or not to save a user as pending vs active in Stytech.'

8 Type "+19999999999"

9 Click the "First name" field.

The screenshot shows a web application interface for user management. The top navigation bar includes a logo 'A', the name 'AJ Hackers', a dropdown arrow, a project name 'My first project' with a dropdown arrow, a 'Test' button with a dropdown arrow, and a 'Stytch.com' link with 'Contact us' and 'Docs' buttons. The left sidebar contains a 'Home' link, 'Project details', and several sections: 'Management' (Event logs, User management, Device Fingerprinting, M2M Clients, Connected Apps), 'Customization' (Emails), 'Configuration' (Redirect URLs, Passwords, OAuth, Custom Claims Template, Frontend SDKs, Migrations), and 'Fraud Prevention' (reCAPTCHA). The 'User management' section is highlighted. The main content area shows a 'Details' form for a user. The form has a 'Back to all users' link, 'Cancel' and 'Save' buttons, and fields for 'Email address' (giorgos@gmail.com), 'Phone number' (+19999999999), 'First name' (highlighted with an orange circle), 'Middle name' (Enter middle name), 'Last name' (Enter last name), 'Trusted metadata' (1), and 'Untrusted metadata' (1). There is also a checkbox for 'Create user as pending' with a description: 'Flag for whether or not to save a user as pending vs active in Stytech.'

10 Type "Giorgos"

## 11 Click the "Last name" field.

The screenshot shows a user management interface with a dark theme. On the left is a sidebar with navigation links: Home, Project details, Management (with sub-links: Event logs, User management, Device Fingerprinting, M2M Clients, Connected Apps), Customization (with sub-link: Emails), Configuration (with sub-links: Redirect URLs, Passwords, OAuth, Custom Claims Template, Frontend SDKs, Migrations), and Fraud Prevention (with sub-link: reCAPTCHA). The 'User management' link is highlighted. The main content area has a header with a back button labeled 'Back to all users' and two buttons: 'Cancel' and 'Save'. Below the header is a 'Details' section. Under 'Basic Details', there are input fields for 'Email address' (giorgos@gmail.com), 'Phone number' (+19999999999), 'First name' (Giorgos), 'Middle name' (Enter middle name), and 'Last name' (Enter last name). The 'Last name' field is highlighted with an orange circle. Below these are 'Trusted metadata' and 'Untrusted metadata' sections, each with a dropdown menu showing '1'. At the bottom, there is a checkbox labeled 'Create user as pending' with a description: 'Flag for whether or not to save a user as pending vs active in Stytech.'

## 12 Type "Giorgos"

## 13 Click "Save"

☐ Create user as pending

Flag for whether or not to save a user as pending vs active in Stytch.

## 14 Click "Save changes"

The screenshot displays the Stytech user management interface. On the left is a sidebar with navigation links: Home, Project details, Management (with sub-links: Event logs, User management, Device Fingerprinting, M2M Clients, Connected Apps), Customization (with sub-links: Emails), Configuration (with sub-links: Redirect URLs, Passwords, OAuth, Custom Claims Template, Frontend SDKs, Migrations), and Fraud Prevention (with sub-link: reCAPTCHA). The 'User management' link is highlighted. The main content area shows a 'Details' form for a user, with fields for Email address (giorgos@gmail.com), Phone number (+19999999999), and First name. A modal dialog titled 'Save changes?' is centered on the screen, containing the text 'Double check before saving your changes.' and two buttons: 'Cancel' and 'Save changes'. The 'Save changes' button is highlighted with a red circle. Below the modal, the 'Details' form is partially visible, showing fields for '1', 'Untrusted metadata', '1', and a checkbox for 'Create user as pending' with the description 'Flag for whether or not to save a user as pending vs active in Stytech.'
